FRESH VIBRANCY  
This collection is living, breathing heritage, molded with the fresh vibrancy and essence of modern India.

A photograph of the same woman from the first image, now standing and twirling her lehenga. The skirt of the lehenga is spread wide, showing its fullness and the intricate gold embroidery. She is looking upwards and to the side. The background shows the rocky beach and the ocean. In the top right corner of the advertisement, there is a small illustration of a red birdcage hanging from a string, with two red teardrop ornaments hanging from it.
